

MAKE A PŌHUTUKAWA FLOWER

MAKE A BEAUTIFUL DECORATION

HOW TO MAKE IT

- 1 Using the flowerhead template on this page, cut one yellow circle and one slightly smaller red circle.
- 2 Using the Stalk template on this page, cut out a stalk shape using green paper or card.
- 3 Fold the two circles in half together, so the red is on the outside and the yellow is in the middle.
- 4 Using a pair of scissors, carefully cut the petals of the flower.
- 5 Fold the stalk in half and staple everything together, as per the photo below.
