Whakahuatanga

Pronunciation

Oropuare Vowels

There are five vowel sounds in Māori. They can be pronounced 'short' or 'long'. These vowels are pronounced as close or similar to:

a - father
e - dress
i - see
o - thought
u - goose

ā ē ī ō ū

When the vowel is long, with a macron above it, say the vowel for twice as long.

Orokati Consonants

There are 10 consonants, they are:

h, k, m, n, ng, p, r, t, w, wh

ng as in singer | wh as in film

r is not rolled.

The r sound is created when the tip of the tongue briefly touches the top of the mouth behind the teeth.
